|-------------------------------------|---|
| Title of studentship: | <i>Resident in Ophthalmology</i> |
| Faculty/School/Department(s) | Bristol Veterinary School, Bristol/Langford |
| Location | Bristol/Langford |
| Stipend | £22,569 per annum |
| Mode of Attendance | Full time |
| Programme duration- | 3-year Residency |
| Application Closing date | Tuesday 14th May at 23:59 |

The position: This is a Residency position in a training programme approved by the European College of Veterinary Ophthalmologists and lasting 3 years, subject to satisfactory annual review of progress. You will be part of the ophthalmology team working with other specialties within the small animal and equine hospitals and will receive training in all aspects of Veterinary Ophthalmology. You will be expected to study for the ECVO diploma in Ophthalmology. Residents will be involved in clinical work and clinical research and will be expected to submit manuscripts for publication based on their research work during the programme. The MSc in Veterinary Science will develop your clinical research skills and enhance universally important skills such as scientific writing, critical reading and statistical analysis of data.

How to apply: Please make an online application for this studentship at <http://www.bris.ac.uk/pg-howtoapply>. Please select MSc in Veterinary Science on the Programme Choice page & the Ophthalmology pathway you are applying for.

If assistance is needed when completing the application form please email fohs-pgadmissions@bristol.ac.uk or call on 0117 331 1676

Start date: **8th July 2019.**

Interviews will take place on Tuesday 21st May 2019

Candidate requirements: The Resident will be expected to undertake informal group teaching of undergraduate students undertaking rotations and a small amount of formal teaching. The position carries responsibilities for out of hours duties, on an equal basis.

You must be a member (or eligible to become a member) of the Royal College of Veterinary Ophthalmologists with 1 year in a recognised internship or a minimum of two years in first opinion practice. You must satisfy the English Language requirements for the Masters in Veterinary Science program (<http://www.bristol.ac.uk/study/language-requirements/profile-a/>).

Funding: Stipend
