## Tierärztliche Klinik für Kleintiere

[Tierärztliche Klinik Ahlen, Germany](#)

### **Veterinary Neurologist**

The Tierärztliche Klinik Ahlen is currently looking for a Head of Neurology service. The ideal candidate will be either Boarded, Board Eligible or residency-trained Veterinary Neurologist.

We are a rapidly growing multi-disciplinary referral clinic for companion animals in the northwest of Germany (near Münster).

We have a strong focus on the delivery of high clinical and professional standards to our patients and clients.

In order to support our ever-expanding caseload, we offer highly interesting career opportunities for a Neurologist to join our team at our 24/7 speciality/emergency hospital in Ahlen, Germany.

You will be working in a multi-disciplinary specialist team with VASTA certified Anaesthesia Technicians and excellent nursing team in a newly built modern referral hospital with in-theatre fluoroscopy, high end 16 slice CT and 1,5 T MRT and a clinical pathology laboratory.

The Tierärztliche Klinik Ahlen is independently owned multidisciplinary referral center in Germany. You will therefore be a key member of a team that has the ambition and innovation to continue the development of the hospital into one with an international reputation for excellence in clinical care and education. We are looking for a highly motivated clinician to join us.

Successful candidates will speak and write German fluently (min. B2-Level). The clinic will provide support courses in business German.

Additional the candidate will be expected to lead educations and to participate in the background service.

We offer a full-time (4-day week) working arrangement with a competitive salary, good CPD allowance, interesting caseload and good work life balance.

We are open to discussing part time flexible working arrangements.
