

<p>Belgian Shepherd Dog - Tervuren</p>	
---	---

Ocular disorders known or presumed to be inherited (published)

None. However, the Groenendael, Laekenois, Malinois and Tervuren are considered closely interrelated and not genetically indistinct.

The ECVO’s advice relating to hereditary eye disease control

Please see ECVO Manual chapter 8: VET Advice

Recommendations regarding age and frequency for eye examinations

Please see ECVO Manual chapter 7: ECVO Age and Frequency recommendations

Other ocular disorders (reported)
