

## **One ECVO Residency Position in Veterinary Ophthalmology, Visionvet Eye Clinic, Italy**

The Italian Eye Clinic Visionvet close to Bologna in Italy offers a position for ECVO residency in Veterinary Ophthalmology with Supervision of Dr Manuela Crasta (DVM, Dipl ECVO, PhD). The residency program, of 3-years duration, follow the guidelines of the European College of Veterinary Ophthalmology (ECVO) and provides the prerequisites for subsequent board certification.

Deadline for applications: **July 30th.**

The application should include:

- CV
- Letter of intent (hand written),
- ID or passport copy,
- Certified copy of the Veterinary degree,
- Recent photograph
- Medium level of Italian or Spanish and English are required.
- 2 letters of recommendation that should be sent from the referees directly to

[mcrasta@visionvet.it](mailto:mcrasta@visionvet.it)

We can consider to offer an externship prior deadline to the candidates to better know each others.

Applications should be addressed to Dr Crasta,  
and also delivered to

Visionvet
