

Specialist Internships in Ophthalmology and Oncology at Paragon Veterinary Referrals

Ophthalmology Internship

We are looking for an ophthalmology intern to join our well established and busy ophthalmology service. Our specialist lead ophthalmology service currently has 3 clinicians including an ECVO and RCVS Diplomate.

We are looking for a clinician with some experience in ophthalmology, but training will be provided to develop skill set in diagnosis and management of ophthalmological conditions.

This 12-month role has the potential to lead to a residency after completion.

How to apply?

To apply for this position please send a covering letter and CV to james.rushton@paragonreferrals.co.uk, or for more information or to have an informal chat about the opportunities available contact James Rushton.

Why Paragon Referrals?
