

## OPHTHALMOLOGY POSITION 2020 - UNITED KINGDOM

### EXPANDING OUR OPHTHALMOLOGY SERVICE

The Ralph is a young independent referral centre in Marlow, Bucks, west of London. We are a Diplomat-led multidisciplinary hospital aspiring to provide excellent and compassionate care 24-7-365. As we continue to grow, we need more help to do this.

Heidi Featherstone (BVetMed DVOphtal DipECVO MRCVS, RCVS and EBVS® European Specialist in Veterinary Ophthalmology) heads our Ophthalmology service. Our Ophthalmology service is busy and we need help to support its continued growth.

We are open-minded about what form this help takes! You could be a Diplomat, Board-eligible or seeking an Ophthalmology internship. The Ralph has obtained ECVO approval to offer a Residency in Ophthalmology.

The Ralph is a workplace that focuses not just on clinical excellence but also on culture, core values and mission. If you want to know more about this, we would love to hear from you. Please email [heidi.featherstone@theralph.vet](mailto:heidi.featherstone@theralph.vet) by 30 November 2019.
