

Ophthalmology Consultant

Part-Time (Freelance)

Zoetis Global Diagnostics

OVERVIEW:

Zoetis Global Diagnostics is currently seeking a board-certified ophthalmologist to work with us on a part-time (freelance) basis to provide consulting services to our customers. The consultant will be required to provide advice to Zoetis Diagnostics customers by email regarding the management of clinical cases. This may include assisting customers with the interpretation of results, advising on the next diagnostic steps for cases and advising on ongoing case management. Hours can be flexible to accommodate your schedule.

RESPONSIBILITIES:

- Provide ophthalmology advice by email to customers. Additional opportunities to participate in live consultations via zoom are likely to become available in the future.
- Work alongside other boarded specialists across the world to provide advice to customers in various global markets.
- Foster a positive, collaborative relationship within the Zoetis team and with our customers.

LOCATION: Remote (working from home)

QUALIFICATIONS: ECVO or ACVO diploma in ophthalmology

KNOWLEDGE AND EXPERIENCE:

- Excellent organizational and interpersonal skills
- Excellent verbal and written communication skills
- Experience with Microsoft Office and other basic computer skills
- Professional working proficiency in English is required. Additional language abilities are a bonus but are not essential.
