

**Are you a Veterinary Ophthalmologist? Do you want to work in a brand new purpose built hospital? Are you looking to join a specialist team that is expanding?**

**Then look no further!**

Here at Rosemullion Vets we are a professional, forward looking first opinion and multidisciplinary referral practice situated in the beautiful South West of Cornwall. We take ophthalmology referrals from throughout Cornwall and further afield. One of our Ophthalmologists is planning to reduce his hours later this year so we are looking for someone to join the team to pick these hours and work alongside him and our other Ophthalmologists as we expand our service. We are excited to move in July into our **purpose built** 7 Cons Room / 3 Operating Theatre hospital in Falmouth with on-site CT and visiting MRI. Our Hospital in Falmouth will be your main base, but you will also do clinics and minor procedures in our branch in Helston.

The ophthalmology service is **well equipped with a Zeiss Visu operating microscope for microsurgical and intraocular procedures, Vizual AOI Phacoemulsification and Retipoint ERG** and supported by a team of experienced nurses. Other referral disciplines include:- orthopaedic and soft tissue surgery, cardiorespiratory medicine and advanced clinical imaging. The service is well supported by our first opinion vets and nurses, providing 7 day and overnight care for in-patients.

Ideally we are looking for an experienced Ophthalmologist of Advanced Practitioner standard or above to apply for this position, however if you are enrolled in a training programme you would be considered and support for further development will be given.

Personal development and expansion of skills is encouraged and supported alongside an excellent remuneration package. **As a flexible employer, we are happy to look at both full and part time hours.**

**So why not make that career change and combine Ophthalmology working with Cornish living; surrounded by areas of Outstanding Natural Beauty, a fascinating maritime heritage, world-class water-sports in a university town with a modern creative buzz?**

Please click "Apply now" to include your CV and covering letter or for an informal chat please **call, text or whatsapp Amy** from the recruitment team on 07557 822 942 or contact [Susanhawkins@rosemullionvets.com](mailto:Susanhawkins@rosemullionvets.com)
