

Staff Clinician in Veterinary Ophthalmology - Fixed Term (Maternity Cover - 12 months)

Queen Mother Hospital

Location: Hawkshead (nr Potters Bar, Herts)
Salary: Competitive Salary
Fixed Term / Full Time
Closing Date: 23.59 hours GMT on Friday 03 December 2021
Interview Date: To be confirmed
Reference: CSS-0120-21A

We are looking for a Staff Clinician in Ophthalmology in the Department of Clinical Science and Services. This person would work mainly from our Hawkshead Campus, a 15-minute train ride from the centre of cosmopolitan London. The appropriate candidate will be expected to enhance the department's reputation through scholarship in clinical activities and teaching. You will achieve this by delivering professional services within the College's hospitals, delivering clinical training on veterinary and paraveterinary undergraduate curricula and participating in postgraduate training programmes.

We are looking for true team players with exceptional leadership and communication skills and who are enthusiastic about working with students, including supporting undergraduate and postgraduate research projects. We are looking for candidates with a RCVS registrable degree in veterinary science, who hold or are eligible to obtain an European or American postgraduate diploma in Ophthalmology. A background in research work in one of the College's areas of special interest and a PhD, although desirable, are not essential.

Potential applicants wishing to discuss this position informally are encouraged to contact Prof. Daniel Chan (Head of Department) email dchan@rvc.ac.uk or Prof Vicky Lipscomb (Clinical Director) email vlipscomb@rvc.ac.uk or Dr Roser Tetas (Joint Head of Ophthalmology) email: rtetas@rvc.ac.uk or Dr Charlotte Dawson (Joint Head of Ophthalmology) email cdawson@rvc.ac.uk
